

## BLURB SHEET

Using the notes you have already made, you're going to write your 'blurb' on your book cover ...

You can use these prompts to help you:

What is your character's name and who is she/he (name, job on board ship, name of the ship).

She/He's making a voyage because she/he faces a challenge ...

She's/He's very nice and hopes for ... OR She's /He's a little bit evil and hopes for ...

She/He has a BIG secret which no one else on the ship knows ...

Write your blurb carefully on the back cover - and maybe leave space for a friend to write a short review ...

Eg. "This is a thrilling story!" or "I love this character!"
